Items:

- 1990
My first clear memory is of a trip to the ocean.
- 1993
When I was five, we moved from our old house into our new one. I hated moving.
- 1994
I have a dream that later inspires me to write my own stories
- 2000
At 12, I did not enjoy leaving my home and all of my friends.
- 2001
I write my first story on fanfiction.net to a surprising response.
- 2002
Went to St. Petersburg, Florida. We ended up spending Christmas there.
- 2003
When I was about fourteen, my first story was removed from FF.net due to breaking a new rule. I resented it, and took a very long break from writing.
- 2004
Worst Camping trip ever.
- 2007
I actually rather liked the short move to Cary. It was closer to all kinds of things.
- 2008
After a long haitus, I attempted to write a serious fanfiction, and it ended up making me extremely popular.
- 2010
The first time I tried to do it didn't go well. I learned a lot about outlining from that attempt, and may one day attempt to revive the story.
- 2013
We ended up deciding that we could write something better, so we did it.
- 2014
While it was a great oppertunity for her and her husband, I still missed her.
- 2015
The Graduate Speaker was a man who, despite having no masters, called himself a master, and basically seemed to think that the degree was useless.
- 2016
After two and a half years of work and revision, the book that I had been working on is completed.
